PROFESSIONAL SUMMARY

Dedicated BE Information Science and Engineering student (2023–2027) with hands-on expertise in frontend web development. Proficient in React, JavaScript, HTML5, and CSS3. Built production-grade web applications focusing on responsive design, user experience, and performance optimization. Strong foundation in full-stack development with experience integrating RESTful APIs. Seeking Frontend Developer internship to contribute technical expertise.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Responsive Web Design

Styling: Tailwind CSS, Flexbox, CSS Grid

Tools: Git, GitHub, VS Code, NPM, Browser DevTools

EDUCATION

Bachelor of Engineering (Information Science) – Brindavan College of Engineering, Bengaluru (2023–2027)

PROFESSIONAL EXPERIENCE

Virtual SAP PP Process Intern

YuvaIntern (NSDC Certified Program) | August 2026

- Completed NSDC certified internship demonstrating dedication, professionalism, and commitment to learning enterprise systems

PROJECTS

Sheegra - Grocery Delivery Application

- Built full-stack grocery delivery platform with authentication, product catalog, cart, and order tracking
- Designed responsive interface optimized for desktop and mobile with seamless user experience
- Tech: JavaScript, React, HTML5, CSS3, Node.js, Express.js

House Price Prediction - Machine Learning Model

- Developed ML regression model for predicting house prices using data preprocessing and feature engineering
- Implemented model optimization achieving high prediction accuracy through iterative refinement
- Tech: Python, Scikit-Learn, Pandas, NumPy

CERTIFICATIONS

- Meta Front-End Developer Professional Certificate (9 Courses, Coursera, September 2026)
- Python Essentials 1 & 2 (Cisco Networking Academy, September 2026)
- Certified Dark Web Analyst (CDWA) - ITKraftz
- GenAI Powered Data Analytics Job Simulation (TATA/Forge, September 2026)
- Introduction to IoT (IBM Skill Build)

LANGUAGES

English, Kannada, Telugu, Hindi (Beginner)

SOFT SKILLS

Communication | Problem Solving | Teamwork | Quick Learner | Adaptability | User-Focused Design | Attention to Detail
